Dear Sir:

This paper is filed in response to the Communication dated April 5, 2007 (copy enclosed). The gist of the Communication was that an Information Disclosure Statement with the date of February 26, 2007 was filed after the Issue Fee was paid in the subject application.

Applicants last submission in this application was a Request for Certificate of Correction dated February 22, 2007 (copy enclosed). Applicants have received a date stamped return postcard indicating receipt by the Patent Office of the Request for Certificate of Correction (copy enclosed).

Applications have filed no Information Disclosure Statement regarding the referenced patent application after the Issue Fee was paid. Accordingly, it is believed that the Information Disclosure Statement referred to in the April 5, 2007 Communication from the Patent Office was incorrectly filed in this application rather than to the one to which it belonged.

DETAILED ACTION*Information Disclosure Statement*

1. Applicant's information disclosure statement of 2/26/07 was filed after the issue fee was paid. Information disclosure statements filed after payment of the issue fee will not be considered, but will be placed in the file. However, the application may be withdrawn from issue in order to file a request for continued examination (RCE) under 37 CFR 1.114 upon the grant of a petition under 37 CFR 1.313(c)(2), or a continuing application under 37 CFR 1.53(b) (or a continued prosecution application (CPA) under 37 CFR 1.53(d) if the CPA is for a design patent and the prior application of the CPA is a design application) upon the grant of a petition filed under the provisions of 37 CFR 1.313(c)(3). Alternatively, the other provisions of 37 CFR 1.313 may apply, e.g., a petition to withdraw the application from issue under the provisions of 37 CFR 1.313(c)(1) may be filed together with an unequivocal statement by the applicant that one or more claims are unpatentable over the information contained in the statement. The information disclosure statement would then be considered upon withdrawal of the application from issue under 37 CFR 1.313(c)(1).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kriellion A. Sanders whose telephone number is 571-272-1122. The examiner can normally be reached on Monday through Thursday 8:30am-7:00pm.
